DAVY'S
1870 150 2020
YEARS

Welcome to our 2020 Christmas Wine & Gift Brochure

I would like to thank all of our customers who have supported our business during what has been an extraordinary year marred so significantly by the coronavirus pandemic, bringing suffering to so many.

We had expected to spend the year celebrating our 150th anniversary as a family wine business, yet there has been little opportunity or desire to celebrate.

However we are still here and for us life goes on. We have not let our ambitions to ship great wines from mostly small independent growers who share our values, diminish in any way.

This year we anticipate more than ever, with restrictions potentially imposed on traditional social gatherings, that sending delicious wines as gifts to family, friends or colleagues will be an enormously popular choice, and we have everything in place to make that an easy and rewarding experience for you.

We look forward to being of service and wish you all well.

With regards,

James Davy,
Chairman, 5th generation.

Please order by midday 18th December.

FREE STANDARD DELIVERY on all orders over £100. Orders under £100 charged at £9.95 per UK mainland address. For full terms and conditions [click here](#).
