A perfect match. Zesty notes and a confident acidity from the Morning Star Sémillon balances the oyster's mineral opulence bringing out their natural sweetness. What better musical pairing with this than 'Under the Sea' by Samuel E Wright! We hope you enjoy.

A gris style of Pinot Noir with gourmand fruit, ginger and touches of soft herbs. This match is all about the velvety textures of both wine and cheese - notes of hay, delicate pear and berry compote dominate the palate and complement the Goat's Cheese Tartlet perfectly.

Notes of toast and fresh white guava pair perfectly with the silky and creamy richness of Keen's cheddar. Catherine's Block is a fresh and textured wine that offers a different take on Sauvignon Blanc.

An old vine Cinsaut with personality and structure to stand up to the spices and textures of our special Bush Vine Sausage created to take the concentration of flavour to a new level. Expect dried cranberry, black pepper and spiced red fruit chutney flavours, perfect for the charred and rich flavours from the braai.

A match made in heaven, passion fruit, candied lime peel, orange blossom, honeyed apricots and lychees. Silky smoothness of the wine with a crisp and creamy texture from the macaron offer a perfect bite.

POUNAMU Marlborough, New Zealand - Mark Duns

Pounamu wines come from a family owned, single vineyard estate in the revered Southern Valleys of Marlborough. First planted in 2003, it's led by ex Cloudy Bay Head Winemaker, Evelyn Fraser and the team has more than 100+ years combined viticultural experience. The style showcases the wines' distinctive characters; purity, regional typicity and sense of place. The evocative, authentic label also helps tell the story of Pounamu as a treasured green stone, sacred to the people of NZ. It is only found in the South Island – so, like its namesake, Pounamu

LITTLE BEAUTY Marlborough, New Zealand - Mark Duns

This great little privately owned estate lies in Marlborough's Southern Valleys where the wines differ slightly from the mainstream. This delectable property is spread over five plots, each with its own soil profile and micro climate, which allows wine maker Eveline Fraser (recently former head wine maker at Cloudy Bay) the chance to make unusually complex, multi dimensional wines. The wine making is modern, but there is more than a nod towards tradition; in 'Little Beauty' the best of new and the best of the old unite together seamlessly.

MOUNT BROWN ESTATES North Canterbury, New Zealand -Frank Manifold

Lying in the foothills of Mount Brown in Waipara Valley this abandoned wine estate was only rediscovered 16 years ago and it is something of a success story. Waipara has a greater variation in temperature between night and day than more northerly Marlborough, yields are much lower, and this valley is fast establishing a reputation for quality. Aromatics such as Pinot Gris, and also Pinot Noir, are perfectly suited to Mount Brown's small sheltered stony site and wine making here is of a very high order.
